B- LA PRODUCTION D'UN TEXTE DE TYPE PARTICULIER

-Respect du contexte et du type de texte.(C1) -Respect de la cohérence des idées.(C2) -Construction de phrases grammaticalement correctes et significatives. (C3) -Utilisation du vocabulaire, l'orthographe et la ponctuation	<p>Writing</p> <p>Quelques idées sur l'importance de l'anglais :</p> <ul style="list-style-type: none"> • English is present in the teaching curricula in schools and universities worldwide. • English is important for success in business; it is required for job opportunities. • English makes communication easy worldwide, for example in diplomacies, sports, leisure, and tourism. • English is highly present in science and technologies (computer, internet, medicine, air navigation, etc.) • Particularly, English is very important for the Beninese as it makes easy the exchange with the giant Nigeria. <hr/> <p>An example of article :</p> <p style="text-align: center;">ENGLISH: THE WORLDWIDE LANGUAGE! / ENGLISH: THE PLANETARY LINGUISTIC PASSPORT / GLOBISH LANGUAGE</p>	Accorder la totalité des points si le candidat a : <ul style="list-style-type: none"> - rédigé un texte sur l'importance de l'anglais en respectant le format d'un article de journal (Headline, Byline et Content) ; - respecté la logique interne du texte, (utilisation des connecteurs logiques) ; - construit des phrases grammaticalement correctes ; - utilisé le vocabulaire, l'orthographe et la 	C1 = 10pts C2 = 8pts C3 = 6pts
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------

appropriés.	<p>English has become nowadays a highly useful language which offers people various opportunities worldwide. Wherever you live on the planet and whatever you do, you are likely to use the English language. In fact, it serves in many areas such as education, business, science and technology etc. For example, English is part of the curricula in most schools and universities. To get a job, speaking English is an asset. Besides, businessmen need to speak English so as to communicate easily with their partners or customers. This is also quite the same in diplomacy or international affairs where English is the official language. In addition, in various domains like science, air navigation, sports, religion, glamour events, tourism, etc. English is necessary. Furthermore, this language is highly used on the internet, and you cannot do without it when you log onto some websites in order use their contents easily. In Benin for example, English is very important for easy exchange with its giant neighbouring country Nigeria. All in all, English is the communication passport worldwide and a key to success in today's life.</p> <p style="text-align: center;">By Coffi ADJITIN, Abomey-Calavi</p>	ponctuation appropriés.
